15th Annual Brian Krueger Memorial Tournament

July 7th– 11th, 2021

Lake in the Hills, IL

We are pleased to announce the 15th Annual Brian Krueger Memorial!

Brian Krueger was one of Lake in the Hills YAA players whose life was cut short due to brain cancer in late 2005. He played and loved the game with passion in a way all of us can appreciate which is why we started the Brian Krueger Memorial. It is our intention every year to make this tournament a special honor to Brian and the best way to do this is to make this the premier in-house all-star tournament for this region!

The Brian Krueger Memorial Tournament has grown from a 19 team tournament of mostly local teams in our inaugural year in 2006 to a spectacular tournament drawing up to 60 teams from all over Illinois. We expect this year to be no different!

Over the years, we have been proud to be able to donate more and more money to the Midwest Children's Brain Tumor Center and our goal every year is to be able to donate more than we did the previous year. You and your organization can help us reach that goal by participating in this year's tournament. Since 2011 we have donated over \$70k.

Our past tournaments have been successful thanks to the generosity of the participating teams and their support of our concessions during this tournament. We work very hard to ensure that your teams have a fantastic experience that is sure to be a highlight of your summer! Please consider joining us in our efforts for 2021!
