This is a NO COOLER tournament! CASH ONLY concessions!

Brian Krueger was one of Lake in the Hills YAA players whose life was cut short due to brain cancer in late 2005. He played and loved the game with enough passion to inspire a memorial tournament. It is our intention every year to make this tournament a special honor to Brian and the best way to do this is to make this the premier in-house all-star tournament for this region!

Over the years, we have been proud to be able to donate more and more money to the Midwest Children’s Brain Tumor Center and our goal every year is to be able to donate more than we did the previous year. You and your organization can help us reach that goal by participating in this year’s tournament. Since 2011 we have donated over \$70k. Our past tournaments have been successful thanks to the generosity of the participating teams and their support of our concessions during this tournament. We work very hard to ensure that your teams have a fantastic experience that is sure to be a highlight of your summer!

Please consider joining us in our efforts for 2023!

<p>Headquarters & concessions located at all parks!</p>	<p>Tournament will be run via Tourney Machine for result updates, standings, and communications from director</p>	<p>Beautifully groomed fields that will be chalked and dragged before each game!</p>
